I. Student Evaluation: Academic Rigor

I am comparing this student with approximately _____ (number) of college-bound high school students with whom I have worked.

I would consider this student's course load to be: Less than Demanding Average Demanding Most Demanding

II. Student Course-load

As a part of the student's application, we ask for an official transcript. However, it is important for us to also get a feel for the course load this student is taking in comparison to what your school offers. Please provide the following information.

	Total number of courses taken per year.	Total courses student took that qualify as advanced or college prep (These are AP, IB, College Credit, Dual Enrollment, etc.).	Total advanced courses that student could have taken at their school per year. Please do not exceed the total amount of classes the student could have taken, ex: if a student can only take 8 credits per year and all could be AP please list 8 and not above that number.
